THINK * WRITE * SHARE

Your counselors encourage you to think about these scenarios, write a brief response to the questions, and discuss your thoughts with a trusted adult.

Scenario #1

1. How do you think the team is feeling after being disqualified?
2. Do you think any of the teammates will use social media differently after this situation?
3. What would you do if you were **PRESSURED** to join in on an inappropriate photo/snap?

Scenerio #2:

Ben, age 14, is a dedicated fan of pro football and joined a fantasy football chatroom. He chatted regularly with many other users, including a person named Dennis. They would chat privately about news and comment on the games they watched on television. Everything was fine until Dennis suddenly started asking questions about Ben's school and home life: his age, his grade, where he lived, etc.

1. How could this situation be dangerous?
2. What advice would you give Ben?

Write Your Thoughts:**Scenario #3:**

A boy and girl were teasing each other and fighting at school one day and the problem quickly escalated to the Internet. The girl created a web page containing inappropriate, photo-shopped pictures of the boy and serious lies about the boy. The girl shared the link to the web page on her Instagram page for everyone to see.

1. How does this scenario make you feel?
2. What would you do if you came across this webpage?
